WHAT IT IS

The **GET Trader** is an information, data and execution platform that enables you to trade FX, CFDs, STOCKS, OPTIONS, FUTURES, FIXED INCOME and MANAGED FUNDS in real-time on live, streaming prices.

As a private client trading on the platform, you download **GET Trader** only one time and from then on, you will receive secure updates and enhancements via the Internet. Live pricing, charts and real-time streaming news are all delivered via the Internet to your platform.

WHY USE THE GET TRADER?

YOU CAN TRADE THE WORLD

One platform...thousands of tradable instruments. With **GET Trader**, you have access to 150+ currency pairs – from Majors like EUR, USD and JPY to Minors and Exotics. We provide a full suite of Scandinavian, Far Eastern and European Market currencies with tighter spreads than you can find elsewhere. Without commissions.

You can trade **stocks and stocks on margin** (CFDs, or Contracts for Difference) on 22 exchanges throughout the world.

Online **futures and 15 CFD indices** are yours too – with financial futures (equity indices, currencies, interest rates), natural gas and crude oil.
