Police & Nurses Teams Up With Cockburn Lakes Football Club

The Cockburn Lakes Football Club is getting an extra boost this year, with new a sponsorship partner, the Police & Nurses Success branch (located in Cockburn Gateway Shopping Centre) coming on board to sponsor the Reserves side for the 2009 season.

The Police & Nurses Success branch has made an overall contribution of around \$3,500 towards the club. This contribution consists of a \$2,500 cash donation, two \$100 FairSaver accounts to be given away as prizes at an upcoming quiz night and a donation of various merchandise items, including water bottles, caps, stubby holders and bottle openers.

The club will invest this money in the development of its players through the purchase of better training equipment, as well as reducing game day costs, such as playing fees and medical support expenses.

Police & Nurses Success Team Leader, Tahnee Downes, says "We chose to sponsor the Cockburn Lakes Football Club as they provide great leadership to the young people at their club. They have brought in motivational speakers, such as Merv Hughes, Brad Hardy and Peter "Crackers" Keenan, to talk to their players, which is really inspirational for them. It is helping them to achieve success not only as players on the field, but in their everyday lives as well."

Sponsorship Manager of the Cockburn Lakes Football Club, Tim Galvin, says "It's great for our club to have sponsors like Police & Nurses on board, as they are a part of our local business community. With their help we are improving the facilities of our club and the level of support we can provide to our players."

This sponsorship is part of a broader program at Police & Nurses Credit Society to support the local communities in which its branch network operates. To find out more about Police & Nurses Credit Society visit www.pncs.com.au or call 13 25 77.
